This card has been given to you as part of a health promotion service.

We try to monitor who gets our services to make them more useful to the people who get them.

Inside are nine quick questions – they are completely anonymous.

Filling in the questions will not change the service you receive but will help us continue to provide this service in the future – the answers are collected by Sigma Research on behalf of a partnership of health promotion agencies across London.

Please return the card to the person who gave it to you, or fold and seal it and put it in a postbox (no stamp needed).

Thanks for your time and help.
