This card has been given to you as part of a health promotion service for Gay men, Bisexual men and other men that have sex with men. WOMEN should not complete the card.

We try to monitor who gets our services to make them more useful to the people who get them.

Inside are twelve quick questions - your answers will be completely anonymous.

Filling in the questions will not change the service you receive but will help us continue to provide this service in the future - the answers are collected by Sigma Research on behalf of the CHAPS partnership of health promotion agencies across England and Wales.

Please return the card to the person who gave it to you, or fold and seal it and put it in a postbox (no stamp needed).

Thanks for your time and help.
